Attaching the executed SAFT. Should also be in your inbox via dousign.

Just to keep our files consistent from KYC standpoint, please provide the following info by responding to the current email thread.

<b>Particulars of Buyer</b>	Name: Nationality / Place of Incorporation: Identification Number / Company Registration Number: Address: Email: Fax:
-----------------------------	--

In this case the particulars should have Olaf's information.

Best,

Do

Will get this signed by us ASAP.

As for the BTC to wire, using the effective BTC <> USD exchange rate on [coinmarketcap.com](https://coinmarketcap.com) today = \$7,698.43, the amount due is 3 mil USD / 7698.43 = 389.69 BTC.

Please transfer the amount to our wallet, [REDACTED] at your convenience.
